Subject: San Jacinto River Waste Pits - Texas Trustee Letter
Date: Tuesday, May 27, 2014 11:01:30 AM
Attachments: [SJWP Trustee letter on Fate Transport Model_052014.pdf](#)

Hi Gary,

Attached please find the Texas Trustee letter regarding our concerns with the hydrodynamic and sediment transport modeling results provided in the Draft Feasibility Study Appendix A: Chemical Fate and Transport Modeling Report for the San Jacinto River Waste Pits Superfund Site. If you have any questions or concerns, please give me a call at: 512.463.3954.

Thanks,

Chelsea
